## Section V – Schedule of Requirements and Scope of Work

### 5. SCHEDULE OF REQUIREMENTS AND SCOPE OF WORK

#### 5.1. Background

The North Delhi Municipal Corporation (NORTH D.M.C.) desires to implement a robust Bio-metric Attendance System in schools for its teachers and non-teaching staff. There are about 758 schools running in about 560 buildings and strength of teachers & non-teaching staff in schools varies from 5 to 40. In the school buildings where two schools are running in two different shifts, there can be single Bio-metric Machine.

This Expression of interest (EoI) is invited to explore the solutions based on robust and highly reliable Bio-metric system which are economical to install and easy to maintain and to discover various conditions of subsequent tendering and optimal SLA linked payment schedules. It should further be noted, that, only those bidders, who participate in EoI stage and are shortlisted, will be issued the RFP for participating in the second stage of tender process.

#### 5.2. Brief Schedule of Requirements

In the proposed setup, there shall be Bio-metric devices (with inbuilt finger sensor and camera) installed in the schools under North Delhi Municipal Corporation (NORTH D.M.C.). These devices shall be connected with the server having Attendance Software housed in the Server Room at NORTH D.M.C. HO. Each day the NORTH D.M.C. School faculty/staff will register their attendance with the Bio-metric device. The device will transfer the attendance data to the Server. The attendance marked at the school shall be automatically updated into the Server for further processing.

Initially all the existing staff / faculty members will be required to get themselves enrolled with their credentials for marking their attendance. This will be a one-time activity that will be managed and carried out by the Implementing Agency which will physically visit all the NORTH D.M.C. Schools. Thereafter if any status change is occurred in the staff/faculty of any school, an appropriate application with approval from competent authority must be forwarded to the Implementing Agency which will update the details in the centrally located server within pre-approved reasonable time. In future, if any new staff/faculty is joining in the NORTH D.M.C. School, the new Staff shall be required to visit the central site (maintained by Implementing Agency) for one time enrollment activity with the Bio-metric details or can be done in school.

#### 5.3. Scope of Work

5.3.1. The solution should be built on robust client-server architecture and supports multiple simultaneous clients which enable admin and staff to perform their function with utmost ease.

5.3.2. The application software should be able to provide various employee attendance and HR related functionalities, e.g. Daily Attendance, Employee Time policies, weekly offs, Partial Day Working, Monthly Attendance Summary, Leave Management etc. The same system shall interface to other existing systems like Payroll etc.

5.3.3. The application must be integrated with the NORTH D.M.C. e-gov Project.

#### 5.3.4. Features of the offered System:

- (1) Accurate tamper proof Attendance
- (2) Automatic Attendance Updating on the server
- (3) Daily Absentee Report
- (4) Daily attendance Register
- (5) Monthly attendance Register
- (6) Inbuilt Camera Option for marking real time attendance of staff who instantly faces problem with finger recognition for a set no of times.
- (7) Ability to provide dashboard at Zonal and HQ level.
- (8) Data Migration from as-is system
