INSTRUCTIONS TO BIDDERS

1. General:-

The Tenders are invited under two bid system i.e. Technical Bid and Financial Bid through e-tendering system for providing Security Services under which the selected bidder shall provide uniformed and trained personnel to keep vigil, security and safety of the schools and school children in the school premises and its vicinity during the school hours in North Delhi Municipal Corporation (hereinafter refer to as North DMC)

The tender is for integrated security services (hereafter referred as Security Services or Services) under which the selected Service Providing Agency (hereafter referred as Service Provider or SP) shall provide uniformed and trained personnel to keep vigil, security and safety of school children in the school premises and its vicinity during the school hours, and school buildings, equipments, materials, fixtures and staff working in the schools which together would also include guarding against anti social elements and criminal activities. This would be achieved through the deployment of trained and uniformed security personnel in the schools and may include deployment of trained non uniformed manpower under any unforeseen requirement that may become necessary to provide security services. The Security Services would normally be restricted to the areas within the boundary of the school premises and the route immediate to main gates for approach and exit. The security personnel deployed must be able to handle fire extinguishers / devices kept in the schools and also to guide the teaching and non teaching staff of the school in operating those devices in case of a fire in that school.

One Security Personnel / Guard (preferably females in case of girls schools) is required to be deployed at each designated school on every day on which that school is open who would be reporting for duty at least half an hour before the commencement of the school hour and would leave only after half an hour of the closure of the said school or when every student / staff has left the school whichever is later. Bidders shall make provision for Security Supervisors for given numbers of security personnel for effective and efficient management of the security services as per the codal requirement/statutory requirements as applicable to the security service provider firms. The agency will ensure that one security personnel is deputed all working days in each school whenever the school is operational. A Security Personnel / Guard would normally be assigned a designated school only and would be substituted during leave / absence/ rest or if requested by the Education Department/school authority. Total numbers of security personnel which would be required to be provided in all the municipal schools of North DMC and are proposed by the Bidders/Agency must clearly brought out with justification in the Technical Bids and quoted in the Financial Bids.

Category & Description of Security Personnel

- | | | |
|----|--|-----|
| I. | Security Guards (M/F) (without arms) - 784; one for each school basis as under:- | |
| | Number of 1st shift School | 576 |
| | Number of 2 nd shift School | 185 |
| | Number of Nursery School 1 st shift (Indp.) | 19 |

- ii. The Agency will have to deploy only female security personnels in Girls school. However, male security personnel may have to be deployed in some girls Schools on the specific request/requirement of that school.

Total strength of security guards/personnel-784

NOTE that the above indicated manpower is the maximum. The total strength can be reduced as per proposal made by the Bidder and on the decision taken by the Department, based on actual requirement. Proposal with optimum utilization of the personnel deployed and leading to least cost to the corporation would stand better chance of becoming L1.
