CORRIGENDUM/ADDENDUM

Sub: NIT No. AO(R.P. Cell)/EDMC/2016/D-81 dated 30.05.2016) for outsourcing the sports activities and maintenance of Sports Complex situated at Trilokpuri.

The following clarification/replies/addendum/amendments in the above NIT conditions are done with immediate effect.

S. No.	Query/Clarification	Departmental Replies
1.	Whether the allottee/contractor of the aforesaid premises who will engage the manpower/labor to operate the aforesaid premises, has to deposit ESI and EPF with the concerned authority or not?	Yes. EPF & ESI are mandatory, being Principal Employer EDMC has to ensure the timely deposition of EPF & ESI in the account of concerned employees. Hence, EPF & ESI Registration certificate is to be attached with the tender document alongwith copy of returns as mandatory criteria.
2.	If the allottee/contractor of the aforesaid premises would like to open/operate canteen/food court/social gathering in the aforesaid premises, will he require to obtain licence for the same from the concerned authority or not?	Yes, license/NOC/clearance is mandatory to run the canteen or related activities therein. Hence, FSSAI certificate is to be attached with the tender document as mandatory criteria.
3.	Will income tax and service tax for providing services in the aforesaid premises, be applicable or not?	Yes, it is mandatory for all the service provider to deposit timely income tax and service tax. Hence, following documents are to be attached as mandatory criteria with the tender document:- 1. Copy of PAN card with turnover certificate duly certified by CA. 2. Copy of certificate of service tax registration alongwith copy of returns.

4.	<p>If an agency providing training/coaching of volley ball in a private school of Bangalore will it be count for experience.</p>	<p>Must be from a government school/college/university/ educational institution or govt. recognized educational institute during last 7 years ending last day of month previous to the one in which NIT/applications are invited. In case of Govt. recognized institute certificate must be countersigned by a Gazetted Officer.</p>
5.	<p>The department was called the same tender in previous year and a pre-bid meeting was also held on 17.06.2015, wherein some clarification/modification was issued by the department. Whether these clarification/modification still exist?</p>	<p>Yes (copy attached at Annexure-I)</p>
6.	<p>Criteria on Para C (ii) <i>Have an experience of running a property of Municipal Body/Govt. on lease/rental basis.</i></p> <p>This is vague and should have been explicit related to the nature of scope of work for which EDMC stands to select a vendor i.e. management of sports complex. By this loose yardstick, even a person running a Paan Shop or doing street vending/tehbazari etc. become eligible to do something for which he/she may not have the core expertise to deliver.</p>	<p>The experience of running Govt./Municipal Body community centre, sports complex, gym, swimming pool, auditorium, conference hall and sport stadium during the last 07 years ending last day of the month previous to the one in which NIT/applications are invited.</p>
7.	<p>Mandatory Criteria on Para C (v) <i>The agency/consortium should not have been blacklisted by any Govt. institution in India.....</i></p> <p>It is well known to all in EDMC that there are some contractors who are habitual offenders and stop making payments to EDMC after the first few installments. Once they get blacklisted, they start doing project in some other name. The EDMC present tender is totally silent on this. Hence, it is suggested that the tender should have clarity on this aspect also.</p>	<p>No. If it is found that the owner/partner of the agency/firm/consortium is blacklisted agency, then the bid of the agency/firm/consortium will be disqualified.</p>

8.	<p>Scope of work - sports club with catering and banqueting (if permissible under rule.....)</p> <p>It is advisable that EDMC takes all clarifications from the Competent Authority(ies) on the nature of activity permissible on the land before going ahead with the tender. Each and every dos and don'ts leads to fluctuations in income and consequently the revenue that one can pay to EDMC against the concessions granted.</p>	<p>The clearance/NOC from MHO (or any govt. authority as per applicability) is required for operating banqueting at said premises. Only those activities are allowed which are as per standard govt. rules/ guidelines.</p>

Sub: Pre Bid Questions.

The Pre bid meeting in respect to the RFP No. AO/RP/EDMC/2015/D-152 was held on 17.06.2015 at 09:00 PM in the Chamber of Administrative Officer (R.P. Cell) as authorized in the tender document. In this meeting following queries were raised by the bidders and the reply of the same is as under:

S. No.	Query	Clarifications
1.	This is a fly ash project and the project shall not be viable if the electricity/buying rates are as per DISCOM rates. We require the existing plan documents of this structure to find the FSI already utilized so that we can know how much additional FSI may be built so that after important features supplementary to the plan is attached.	As specified in tender document. The interested bidders are advised to visit the site physically to know the FSI and future plans. The interested bidder may get the information from Engineering Department also.
2.	If this is a project with lot of investment in the project and hence it should be automatically approved at the end of the five years of the project.	Following clauses is appended as under: Para. C 14 (b) • That the bidder shall have the right to operate the premises for a period of 10 years after completion of the contract. That the necessity of adjustment (including the extension period).
3.	This project shall require at least 6 months to bring the facilities to the level as stipulated in the document and hence the same should be awarded accordingly.	Para E 10 • The bidder shall pay a fixed rental per month to the competent authority which shall be payable as quarterly advance basis. That the monthly rental shall increase by 12% every year for the duration of the contract. That the monthly rental shall be payable post the end of completion period. The completion period is extended for another 01 months and 1000 road as ... "There shall be completion period of 03 months from the date." As already advised in the No. 2.
4.	It is suggested that the same plan of structure to be built by EDMC, say for projects so as that we can plan what activity is already present & what activity needs to be added by us to run the proposed projects.	As specified in tender document.
5.	The contribution of Para C 6 (iv) of the tender documents, as the project is to be run in Public Private Partnership mode hence, the restriction that there shall be controlled by EDMC is unreasonable since the operation and of project is very high which requires to run the project in the proper give & take manner.	The furnishes of such reports will be finalized after selection of successful bidder.

Copy is in the file and is available to all bidders as automatically increases the cost of tender.
