SECTION-2

INFORMATION TO BIDDERS

A General

Delhi, the Capital of India and the resources available here to earn Living hoods attract the people from whole country to come here and stay. As a result of which its population is increasing day by day considerably. Due to Increase in population and per Capita income in Delhi, the land is become scarcer and dearer. The plots are getting smaller & smaller. The concept of group housing complexes has become an ultimate solution to provide more living units. As such now more land is available for future developments or to provide civic amenities to the increasing population of Delhi.

There was a time when car parking was not a problem at all because there were very few cars in Delhi and every house had a garage to park their vehicles. Individual house had spacious compound. In those days parking on roads & in front of house was almost nil. But now a day, it is becoming a problem for Delhi. People have become habitual of using cars for every movement.

With the boom in production of cars and increasing in purchase capacity of people, there are over nine million cars and two wheelers on the roads of this city and parking of cars has become a great problem here mainly in or near markets, offices and commercial areas.

Further, with the increase in population, new and unplanned Commercial Areas have grown up where sufficient space is not available for public facilities like parking, walking, conveniences etc.

To come over the problem of Car parking, a decision has been taken at apex level to explore the possibilities for providing mechanized multi-level car parking at the various locations in Delhi where it needs more.

1. Scope of Construction Supervision Services

The Consultant, through this contract shall remain responsible for the services to be performed through their personnel on their behalf.

The Consultant shall perform the services and carry out their obligations hereunder with all due diligence, efficiency and economy in accordance with the provisions of the contract. The Consultant shall observe sound management/technical/engineering practices. The Consultant shall always act, in respect of any matter relating to this contract or the services as faithful advisers to the EDMC.

Executive Engineer [Pr-I/Sh S]
E1/12, Krishna Nagar, Delhi-51.

The "Envelope -I" will be opened first in the presence of the intended bidders and if any bidder will not met with the eligibility criteria stated above, his "Envelope-II" containing financial bid will not be opened and returned to the bidder unopened.

Note: Online bidders shall upload scanned copy of eligibility criteria on account of submission of Technical Bid on EDMC e-bidding website and deposit the requisite earnest money in the Office of Executive Engineer-I Sh (S) EDMC, before the opening of Technical Bids.

17.3 EDMC assume no responsibility for the misplacement or premature opening of the proposal, if the submitted envelopes are not sealed and marked properly as mentioned above.

17.4 **Late Proposals**

Any Proposal received by EDMC after the Proposal Due Date; will not be opened and returned unopened to the Bidder if present at the time of opening.

17.5 **Time of Completion and Time Extension**

The period of service for Project Management Consultancy Services will be 15 (Fifteen) months from the date of issue of award letter or till the completion of the parking project, whichever is later i.e. if the project construction works need more time for its completion, the period of service for Project Management Consultancy Services shall be extended in proportion to civil contract and nothing extra shall be payable to consultant for the extended period.

18 **Conflict of interest**

i. Bidders shall not have a conflict of interest (the "Conflict of Interest") that affects the RFP Process. Any Bidder found to have a Conflict of Interest will be disqualified.

- A Bidder may be considered to have a Conflict of Interest that affects the RFP Process, if:
- ii. Such Bidder (or any constituent thereof) and any other Bidder (or any constituent thereof) have common controlling shareholders or other ownership interest; provided that this qualification shall not apply in cases where the direct or indirect shareholding in a Bidder or a constituent thereof in the other Bidder (s) (or any of its constituents) is less than 1% of its paid up and subscribed capital; or
 - iii. A constituent of such Bidder is also a constituent of another Bidder; or
 - iv. Such Bidder receives or has received any direct or indirect subsidy from any other Bidder, or has provided any such subsidy to any other Bidder; or
 - v. Such Bidder has the same legal representative for purposes of this Proposal as any other Bidder; or
 - vi. Such Bidder has a relationship with another Bidder, directly or through common third parties, that puts them in a position to have access to each other's information about, or to influence the Proposal of either or each of the other Bidder; or such Bidder has participated as a consultant to EDMC in the preparation of any documents, design or technical specifications of the Project.
 - vii. The lowest found bidder will not participate in main project bidding directly or indirectly or firm (which should not be in conflict of interest). In this regard an undertaking is to be submitted by the consultant.

D. Bid Opening and Evaluation

19 Tests of Responsiveness

- 19.1 Prior to evaluation of Proposals, EDMC will determine whether each Proposal is responsive to the requirements of the RFP. A Proposal shall be considered responsive if:
- (i). It is received on or before the Proposal Due Date.
 - (ii). It contains the information and documents as requested in the RFP.
 - (iii). It contains information in formats specified in the RFP
 - (iv). It is accompanied by the Earnest Money as set out in bid documents.
 - (v). It is signed, sealed and marked as specified in the RFP.
 - (vi). It mentions the validity period as set out in para-13 of this section.
 - (vii). It provides the information in reasonable details "Reasonable Detail" means that, but for minor deviations, the information can be reviewed and evaluated by EDMC without communication with the bidder. EDMC reserves the right to determine whether the information has been provided in reasonable detail.
 - (viii) There are no inconsistencies between the proposal and the supporting documents.
- 19.2 A Proposal that is substantially responsive is one that conforms to the preceding requirements without material deviation or reservation. A material deviation is one

which:

- (a) Affects in any substantial way, the stipulated scope, quality, or performance of the assignment, or
- (b) Limits in any substantial way, inconsistent with the RFP document, EDMC's rights or the Bidder's obligations under the Contract Agreement, or
- (c) Unfairly affects the competitive position of other Bidders presenting substantially responsive bids.

19.3 Notwithstanding anything contained above, EDMC reserves the right to accept or reject any or all submissions received, or to terminate the entire process at any stage without assigning any reason, without any obligation to inform the bidders of the grounds of EDMC's action and without paying any compensation or refund of bid documents cost. The Bidder hereby declares this acceptable on his submitting this bid.

20 Confidentiality

Information relating to the examination, clarification, evaluation and recommendation for the short-listed Bidders would not be disclosed to any person not officially concerned with the process. EDMC would treat all information submitted as part of the Proposal in confidence and will ensure that all who have access to such material treat it in confidence. EDMC would not divulge any such information unless ordered to do so by any Government authority that has the power under law to require its disclosure

21 Clarifications by Bidders

To assist in the process of evaluation of Proposals the Bidder should provide required clarification desired by EDMC, if any. The request for such clarification or substantiation and the response shall be in writing or by facsimile. No material change in the substance of the Proposal would be permitted by way of such clarification/substantiation.

22 Bid Evaluation:

1. The Technical Bid of the Proposal would first be checked for eligibility in terms of the requirements of RFP.
2. The evaluation on the present technical proposal would be qualitative and to the best judgment of EDMC evaluation committee. The specific evaluation criteria are given as under:-

Attributes		Evaluation
A	Financial Strength (20 Marks) i. Annual turnover [16 marks] ii. Solvency Certificate [4 marks]	a 60% marks for minimum eligibility criteria. b 100% marks for twice the minimum eligibility criteria or more, In between (i) & (ii) – on pro-rata basis
B	Experience in similar class of works [20 marks]	a 60% marks for minimum eligibility criteria. b 100% marks for twice the minimum eligibility criteria or more, In between (i) & (ii) – on pro-rata basis

C	Performance of works [20 marks]	If TOR i.e. Actual Time/Stipulated Time =			
	Parameter	1	2	3	>3.5
	i) Without levy of compensation	20	15	10	10
	ii) With levy of compensation	20	5	0	-5
	iii) Levy of compensation not decided	20	10	0	0
D	Performance of works on Quality [15 marks]	Very Good 15 marks Good 10 marks Fair 5 marks Poor 0 marks			
E	Personnel & Establishment [15 marks]	Graduate Engineer 3 marks for each Diploma Engineer 2 marks for each but max. 4 marks Supervisory/Computer operator 1 mark for each max 3			
F	Office space and Instruments [10 marks]	Office space >75 sqm 5 marks Computers with printers 1mark for each max 3 Plotter max 1 mark Total station max 2 marks			

*The marks so assigned evaluation committee would be final and binding on the bidder. Financial bid of only those Bidders who achieve the Benchmark Score i.e. 60% for their technical proposal and minimum 50% in each of the parameters would be opened.

3. The composite score under the technical proposal would be the arithmetic sum of the marks assigned to the bidders under each of parameters.
4. The bench mark score to be achieved for technical submission is as per para19.
5. In case the Technical Proposal is found fulfilling the above qualification criteria, the financial proposal of all such technically qualified bidders shall be opened.
6. The Financial Bid would be evaluated and ranked on the basis of the quote submitted by the bidders. The bidder who quotes lowest Financial Bid among the technically qualified bidders shall be ranked as L-1 Bidder.

E. Award of Contract

23 Declaration of Successful Bidder

Upon acceptance of the Proposal of the L-1 Bidder after having the quoted price and justified price compared and after conducting negotiations if required, EDMC shall declare the L-1 Bidder as the Successful Bidder.

24 Notification(s) and Letter of Award (LOA)

EDMC will notify the L-1 Bidder by e-mail and by a Letter of Acceptance (LOA) that its Proposal has been accepted.

25 Execution of Contract Agreement

1. The Successful Bidder shall execute the Contract Agreement within 15 days of the issue of LOA there after the work order shall be issued.
2. The Consultant shall fully mobilize at site within 10 days from the date of issue of the Work Order.

SECTION-3

PERSONNEL'S JOB DESCRIPTIONS & QUALIFICATIONS OF THE SUPERVISING TEAM

(1) **Team Leader cum Structural Engineer:-Job Description**

The Team Leader cum Structural Engineer will remain responsible for supervision and administration of the project. SECTION-4

GENERAL CONDITIONS OF CONTRACT

1. Definitions

- i. "EDMC" means the East Delhi Municipal Corporation a body formed under the Delhi Municipal Act, 1957 including amendments and includes any other authorities, agencies and instrumentalities functioning under the direction or the control of the East Delhi Municipal Corporation and its administrators, successors and permitted assigns.
- ii. "Engineer-in-Charge" means the Engineer Officer who shall supervise and be the incharge of the work and who shall sign the contract on behalf of the EDMC, certify payments, and award the extension of time.
- iii. "Contract", "Consultancy Contract", "Consultancy Contract/Services" means the contract between EDMC and the Consultant consisting of this Contract and the documents listed therein.
- iv. "Consultant" means the Consultant who may be engaged for Project Management Consultancy work of the project.
- v. "Department", "Engineer-in-Charge" or "Client" means EDMC or its authorized representative.
- vi. "Contractor" means the agency who will execute the main project.
- vii. The 'Site' shall mean the land / or other places on, into or through which work is to be executed under the contract or any adjacent land, path or street through which work is to be executed under the contract or any adjacent land, path or street, which may be allotted or used for the purpose of carrying out the contract.
- viii. The expression 'works' or 'work' shall, unless there be something either in the subject of context repugnant to such scope of RFP, be construed and taken to mean the works by or by virtue of the contract contracted to be executed whether temporary or permanent, and whether original, altered, substituted or additional.

2. Time of Completion

- a. The period of service for Project Management Consultancy Services will be 15 (fifteen) months from the date of issue of award letter or till the completion of the parking project, whichever is later.
- b. If the project construction works need more time for its completion, the period of service for Project Management Consultancy Services shall be extended in proportion to civil contract and nothing extra shall be payable to consultant for the extended period.
- c. When there is an upward revision of time schedule of the project, the Consultant shall seek extension of time, well in advance from Engineer-in-Charge, bringing out reasons seeking such extension. Engineer-in-Charge has the sole authority to accord extension of time, with or

without compensation in favour of Engineer-in-Charge. No extra payment shall be made to the consultant for the extended period, if any.

3. Performance Guarantee

- a) For the due performance of the contract in accordance with the terms and conditions specified, the consultant shall on the day of/or before signing the contract which shall not be later than 15 days from the issue of the Letter of Acceptance, furnish Performance Guarantee (on the format prescribed by EDMC) from a Nationalized/Scheduled Bank to the extent of 5% of the value of total consultancy fees of consultant. The Bank Guarantee shall remain valid initially for 24 months or 6 months after successful completion of the services to EDMC whichever is later. The Earnest Money shall, however be forfeited in case the Consultant fails to submit the Performance Guarantee in the stipulated period.
- b) The Bank Guarantee shall be in favour of Commissioner, EDMC payable at New Delhi. The Bank Guarantee should be (in the prescribed format given herein) issued from any Nationalized Bank/Scheduled Bank.
- c) It is expressly understood and agreed that the performance guarantee is intended to secure the performance of entire contract but not to be construed to cover any damages detailed/stipulated in various clauses in the Contract document.
- d) The performance guarantee will be discharged by EDMC and returned to the Consultancy firms after 6 months of successful completion of the services to EDMC.
- e) EDMC reserves the right of forfeiture of the performance guarantee in addition to other claims and penalties in the event of the consultant's failure to fulfill any of the contractual obligations or in the event of termination of contract as per terms and conditions of contract.
- f) Should the stipulated time for completion of work for whatever reason get extended, the consultant, shall at his own cost, get the validity period of Bank Guarantee in respect of performance security furnished by him extended and shall furnish the extended / revised Bank Guarantee to EDMC before the expiry date of the Bank Guarantee originally furnished.

4 Security Deposit

A sum @ 10% of the gross amount of the bill shall be deducted from each running bill of the consultant till it become 5% of agreed amount of the contract. The EMD shall be adjusted first for security deposit.

The Security Deposit will be discharged and returned to the Consultancy firms after 6 months of successful completion of the services.

EDMC reserves the right of forfeiture of the security deposit in additions to other claims

and penalties in the event of the consultant's failure to fulfill any of the contractual obligations or in the event of termination of contract as per terms and conditions of contract.

5 Law Governing Contract

This Contract, its meaning and interpretation, and the relation between the parties shall be governed by the Applicable law.

6 Taxes and Duties

The consultant shall pay their own taxes of all kinds including corporate income taxes and personnel income taxes, duties, fees, levies and other impositions in connection with providing the services under this contract.

7 Effectiveness of contract

This contract shall come into force and effect on the date (the "Effective Date") of the Client's notice of award of contract to the Consultants.

8 Modification

No modification in the terms and conditions of this contract will be made after signing the agreement by the parties.

9 Liability to the Consultants

The consultants shall be liable to the Client for the performance of the services in accordance with the provisions of this contract and for any loss suffered by the Client as a result of a default of the Consultants in such performance.

10 Indemnification of the Client by the Consultants

The Consultants shall keep the client, both during and after the term of this contract, fully and effectively indemnified all losses, damage, injuries, deaths, expenses, actions, proceedings, demands, costs and claims, including but not limited to, legal fees and expenses, suffered by the client or any Third Party, where such loss, damage, injury or death is the result of a wrongful action, negligence or breach of contract of the consultants or their sub-consultants, or the personnel or agent of either of them, including the use or violation of any copyright work or literary property or patented invention, article or appliance.

11 Indemnification of the Consultants by the Client

The Client shall keep the Consultants, both during and after the term of this Contract, fully and effectively indemnified all losses, damage, injuries, deaths, expenses, actions, proceedings,

Executive Engineer [Pr-I/Sh S]
E1/12, Krishna Nagar, Delhi-51

 22
Asstt. Engineer (Project)-
Shahdara, South Zone, EDI

costs and claims, including but not limited to, legal fees and expenses, suffered by the Consultants or any Third Party where such loss, damage, injury or death is the result of a wrongful action, negligence or breach of contract of the Client or his employees or agents.

12 Payment to the consultant

(i) No advance payment shall be made. The Consultants shall be paid stage-wise as a percentage of the contract value as per the schedule given below:

Sr. No.	Description	Payment
1.	On submission of inception report	10%
2.	On Submission of Bid Document	20%
3.	On submission of Design Document	20%
4.	Supervision of site, monitoring related to Contract Bills on pro-rata basis.	50%
	Total	100%

(ii) Consultant shall not be eligible for payment for the next stage till the satisfaction of the Engineer-in-Charge the work of previous stage.

(iii) The payment for each stage can be released in part on pro-rata basis at the discretion of the Engineer-in-Charge or his authorized representative.

(iv) Engineer-in-Charge or his authorized representative can order for reduction/variation in the scope of services which will be paid after suitable appropriation/adjustment based on the conversion of bided rates for the proposed Consultancy Services.

13 Sub – Consultant

Consultant may associate sub-consultant with approval of the Engineer-in-Charge to enhance their capacities. Responsibility for supervision work will rest with the main consultant.

14 Reporting Requirement

The supervision Consultant shall maintain Daily site Diary recording workmen engaged, plants and machineries deployed, quantities of works executed etc.

The Supervision Consultant will prepare and submit the following reports and estimate in hard and soft copies to the Engineer/Engineer-in-Charge on format prepared by the consultant and approved by the Engineer-in-Charge as follows:

S. No.	Particulars	No of hard Copies	No of Soft Copies
1.	Weekly Progress Report	3	2
2.	Monthly Progress Report	3	2
3.	Quarterly Progress Report	5	2
4.	Final Completion Report	5	2
5.	Revised estimate at the end of	2	2

15 Expiration of Contract

Unless terminated earlier pursuant to Clause 20 of GCC hereof, this Contract shall expire when all the services and project have been completed in all respect and all payments have been made at the end of such time period.

16 Force Majeure

16.1. Definition

(a) For the purpose of this Contract, "Force Majeure" means an event which is beyond the reasonable control of a party, and which makes a Party's performance of its obligations hereunder impossible or so impractical as reasonably to be considered impossible in the circumstances, and includes, but is not limited to, war, riots, civil disorder, earthquake, fire, explosion, storm, flood or other adverse weather conditions, strikes, lockouts or other industrial action (except where such strikes, lockouts or other industrial action are within the power of the Party invoking force Majeure to prevent), confiscation or any other action by government agencies.

(b) Force Majeure shall not include (i) any event which is caused by the negligence or intentional action of a party or such Party's Sub- consultants or agents or employees, nor (ii) any event which a diligent Party could reasonably have been expected to both (A) take into account at the time of the conclusion of this Contract and (B) avoid or overcome in the carrying out of its obligations hereunder.

(c) Force Majeure shall not include insufficiency of funds or failure to make any payment required hereunder.

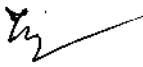

16.2. No Breach of Contract

The failure of a Party to fulfill any of its obligations hereunder shall not be considered to be a breach of, or default under, this Contract insofar as such inability arises from an event of Force Majeure, provided that the Party affected by such an event has taken all reasonable precautions due care" and reasonable alternative measures, all with the objective of carrying out the terms and conditions of this Contract.

16.3. Measures to be taken

(a) A Party affected by an event of Force Majeure shall take all reasonable measures to remove such Party's inability to fulfill its obligations hereunder with a minimum of delay.

Executive Engineer [Pr-I/Sh S]
E1/12, Krishna Nagar, Delhi-51

 24
Asstt. Engineer (Project)-I
Shahdara South Zone, ED/NO

(b) A Party affected by an event of Force Majeure shall notify the other Party of such event as soon as possible, and in any event not later than fourteen (14) days following the occurrence of such event, providing evidence of the nature and cause of such event, and shall similarly give notice of the restoration of normal conditions as soon as possible.

(c) The Parties shall take all reasonable measures to minimize the consequences of any event of Force Majeure.

16.4. Extension of time

Any period within which a Party shall, pursuant to this Contract, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.

16.5. No Payment admissible for reactivating the Services

During the period of their inability to perform the Services as a result of an event of Force Majeure, the Consultants shall not be entitled for reimbursement of any additional cost for the purposes of the Services and in reactivating the Services after the end of such period.

16.6. Consultation

Not later than thirty (30) days after the Consultants, as the result of an event of Force Majeure, have become unable to perform a material portion of the Services, the Parties shall consult with each other with a view to agreeing on appropriate measures to be taken in the circumstances.

17 Suspension

The Client may, by written notice of suspension to the Consultants, suspend all payments to the Consultants hereunder if the Consultants fail to perform any of their obligations under this Contract, including the carrying out of the Services, provided that such notice of suspension (i) shall specify the nature of the failure, and (ii) shall request the Consultants to remedy such failure within a period not exceeding thirty (30) days after receipt by the Consultants of such notice of suspension.

18 Termination of contract by the EDMC

The EDMC may, by not less than thirty (30) days' written notice of termination to the Consultants (except in the event listed in paragraph (f) below, for which there shall be a written notice of not less than sixty (60) days), such notice to be given after the occurrence of any of the events specified in paragraphs (a) through (g) of this Clause GC 20.1 terminate this Contract.

(a) If, the Consultants fail to remedy a failure in the performance of their obligations hereunder, as specified in a notice of suspension pursuant to Clause GC 19 hereinabove, within thirty (30) days of receipt of such notice of suspension or within such further period as the Client may have subsequently approved in writing :

(b) If, the Consultants become insolvent or bankrupt or enter into any agreements with

their creditors for relief of debt or take advantage of any law for the benefit of debtors or go into liquidation or receivership whether compulsory or voluntary;

(c) If, the Consultants fail to comply with any final decision reached as a result of arbitration proceedings pursuant to Clause GC 16 hereof;

(d) If, the Consultants submit to the Client a statement which has a material effect on the rights, obligations or interests of the Client and which the Consultants know to be false;

(e) If, as the result of Force Majeure, the Consultants are unable to perform a material portion of the Services for a period of not less than sixty (60) days; or

(f) If the Client, in its sole discretion and for any reason whatsoever, decides to terminate this Contract.

(g) If the consultant, in the judgment of the Client has engaged in corrupt or fraudulent practices in competing for or in executing the Contract. For the purpose of this clause:

"Fraudulent practice" means a misrepresentation of facts in order to influence a selection process or the execution of a contract to the detriment of the Borrower, and includes collusive practice among consultants (Prior to or after submission of proposals) designed to establish prices at artificial non-competitive levels and to deprive the Borrower of the benefits of free and open competition.

19 Fairness and Good Faith

19.1. Good Faith

The Parties undertake to act in good faith with respect to each other's rights under this Contract and to adopt all reasonable measures to ensure the realization of the objectives of this Contract.

19.2. Operation of the Contract

The Parties recognize that if it is impractical in this Contract to provide for every contingency which may arise during the life of the Contract, and the Parties hereby agree that it is their intention that this Contract shall operate fairly as between them, and without detriment to the interest of earlier of them, and that, if during the term of this Contract either Party believes that this Contract is operating unfairly, the Parties will use their best efforts to agree on such action as may be necessary to remove the cause or causes of such unfairness, but no failure to agree on any action pursuant to this Clause shall give rise to a dispute subject to arbitration in accordance with Clause GCC 22 hereof.

20 Settlement of Disputes

20.1. Amicable Settlement

The Parties shall use their best efforts to settle amicably all disputes arising out of or in connection with this Contract or the interpretation thereof.

Executive Engineer [Pr-I/Sh S]
E1/12, Krishna Nagar, Delhi-51

 26
Executive Engineer (Pr-I/Sh S)
Shahdara Sector 10, Delhi-110052

20.2. Arbitration Dispute Settlement

In case of disputes or differences arising between the EDMC and Consultant relating to any matter arising out of and/or connected with this agreement, such disputes or difference shall be settled in accordance with the provision of Arbitration and Conciliation Act, 1996.

The disputes shall be referred to a Sole Arbitrator. The Sole Arbitrator shall be selected and appointed by the EDMC out of a list of three names recommended by the Consultant. The decision of the Sole Arbitrator shall bind the parties finally and conclusively. Both Parties to the arbitration shall equally share the cost of the arbitration.

21 Inspection & Review of the progress of work

The Engineer-in-Charge may inspect and review the progress of works and may issue appropriate directions to the Consultant/members of the supervision team for taking necessary action.
