Dated: 04-12-2019

N.O.W: Disposal of RDF recovered from biomining process at Bhalswa dumpsite in Delhi
N.I.T. No: EE(SpPr)RZTC/2019-20/03 Dated:19.11.2019

The replies/clarifications to pre-bid queries raised in the pre-bid meeting held on 03.12.2019 and additional condition in tender document in respect of above cited work which shall form part of tender document are as follows:-

S N	Queries	Reply
1	Bhumi Green Energy Quantity of dry waste does not mention in the tender.	About 3000 MT of dry waste is lying at the site. Presently, about 600 MT of dry waste is being recovered at the site from biomining process. The quantity of dry waste recovered per day will increase to 1200 MT with increased number of trommels.
2	NDMC can give electricity for processing?	NOC will be given to facilitate the contractor to apply for electricity connection.
3	NDMC can give processing fee to process dry waste to convert RDF?	No processing fee will be provided.
4	NDMC can give vacant land for processing?	Upto 1000 sqm of land will be made available for processing of RDF for one year which can be extended with approval of Commissioner, North DMC.
5	Alchemy Enersol International. Quality of RDF will it be uniform	The same may be checked by the contractors by taking some quantity from the site.
6	Land for upgrading CV	As already replied at S No. 4 above.
7	Test report of existing RDF?	The same may be checked by the agency itself by taking some quantity.
8	R.R. Enterprises Quality of RDF(CV)	The same may be checked by the contractors by taking some quantity from the site.
9	Quantity of RDF generated per day	As of now, about 600 MT/day is being generated
10	Land of processing.	As already replied at S No. 4 above.
	Additional condition	The bidders will have to mention likely quantity of dry waste to be lifted by them in the technical bid.
