1	Clause # 3 Page#6	It will be discretion of the Engineer-in Charge to award the quantum of work to the contractors at the site.	We request the authority to indicate the exact quantity of RDF to be provided. This information should be clear to understand the quantum of work and resources needed for the project.	The total quantity of waste at Bhalswa dumpsite is about 90 lakh MT. The total quantity of unprocessed combustible waste may vary from 30 lakh MT to 50 lakh MT. However, the bidder shall not be entitled for any compensation in case of any decrease or increase in quantity.
2	Clause # 3 Page # 7	In case of preferred /successful bidders, the North DMC will release only 90% of payment for each running bill submitted and retain 10% as security deposit.	10% of retention amount is very huge, when the entire responsibility lies on the contractor. So we request the authority to reduce the retention amount and please indicate the when will the retention amount be refunded to the contractor.	50% of the retention amount will be released after every 3 months.
3	Clause # 25.1 Page # 11	The North DMC as applicable shall notify the successful bidders that his bid has been accepted, the bidder will then have to execute the agreement with North DMC on "First	Generally any tender would be awarded to the Lowest Bidder who quote the lowest Price. So the working First Come First Serve Basis to be deleted from the respective	The lowest bidder will be given preference for executing the agreement and thereafter agreement will be executed on 'first come first serve
