S.NO.	QUERRY	REPLY
1.	Whether Technical & Financial Bid is along with EOI document. Please clarify if this is EOI or NIT?	This is an EOI. The bidders are hereby asked to submit their proposals with design and Tentative cost of designing and Art work to be performed for converting waste to use in artistic work.
2.	The design intents are asked for at the given stage, Whether this is the stage of short listing/ empanelment, designs should not be called for (as in art, creativity is the main part and execution is secondary) and please suggest how to submit Technical Bid ?	After submission in EOI the design, proposals, with their tentative cost the SDMC will chalk out the plan for empanelment of Agencies, whose proposals are suitable.
3.	Bidder asks can we share reference designs.	Yes, the same may be submitted.
4.	Bidder can't disclose the commercial part of our artwork (not even tentative) as it will affect the rates of our own work at main tendering stage.	The tentative Rates are necessary to chalk out financial implication for management of waste to art.
5.	The date of submission may be extended	The last date of submission has been extended up to 18-09-2017
