- B. Daily Logbook and Performance Sheet will be maintained and will be get verified by the zonal SS/SI/ASI and duly verified by the AC of the Zone.

- C. The start duty Km shall start from where the driver starts performing the duty of SDMC and not from parking lot. Similarly, the end duty Km shall end where the driver finishes performing the duty of SDMC and not up to the parking lot. The operator/contractor shall maintain a log book to record daily mileage and get it signed daily from the officer as decided by SDMC. Parking of the vehicle after working hours shall be responsibility of the contractor/agency at his own risk & cost.
- D. The contractor should have experienced manpower and repair facilities along with back up arrangements for maintenance breakdown repair etc. and trained commercial driver would be deployed.
- E. The contractor/agency shall ensure the periodical maintenance of the Vehicles(s) to avoid minimize the breakdown.
- F. The payment shall be made on monthly basis/after verification of all relevant records from the officer as decided by SDMC i.e Engineer in Charge.
- G. The vehicle should have only electronic/digital meter otherwise the vehicles shall not be accepted.
- H. Meter of vehicle must be in working order all the time otherwise the payment for extra millage would not be paid.
- I. The vehicles should be equipped with CD system along with announcement arrangement and should work properly otherwise no vehicle shall be taken on duty for the day.
- J. The vehicles are hired on per day basis, the performance/ requirement of the vehicle will be reviewed periodically. The contractor in part or full can be terminated at any time without assigning any reasons by the department by giving three month notice without any liability on SDMC, and the contractor would not have any claim what so ever.
- K. The site of work shall be intimated on day to day basis or as when complaint is received by the filed staff of the Sanitation in the area.
- L. The duty hours shall be 7:00 am to 3:00 pm every day or as decided by the Engineer in charge. At the time of departure of vehicle from the site, the driver would obtained signature of SI/ASI of the area and mention the departure time on the log book, and shall work as per direction of Engineer in Charge.
- M. The vehicle shall report to the concerned (assigned) SI at the place designated every day at 7:00 AM and obtain signature of SI/ASI on the log book (clearly indicating the start Km). The vehicle should be in working condition with full gas and other accessories and labour at the starting time.
- N. If the vehicle is deployed on holidays, the per day basis rate only would be paid as applicable to any working day.
- O. The contractor, through the staff deployed by him carry out cleaning and clearing of garbage at the points instructed by the SI/ASI. The driver, in this regard would also be assigned duties to supervise the work of the labour attached with the vehicles.
- P. The contractor shall make his own arrangement of parking of vehicle and workshop etc. and nothing extra shall be paid on any account.
- Q. The contractor shall be personally liable, accountable and responsible for any or all the damages/ losses caused to the users and the contractor shall also be responsible liable for any damages/losses suits arising out of such an incident. That the SDMC

shall not be liable or responsible of any omission or commissions by the contractor and / or its staff or any third party and the contractor shall indemnify the SDMC for any expense or liability by whatever name called owing to any claim/damages/compensation/award arising out of any direction/order/judgment in any dispute or cause emanating or attributable directly or remotely to any gross omissions or commissions of the contractor.

R. The contractor/supplier shall be solely responsible for compliance with all labour laws and shall be solely liable for all possible claims from any third party and employment related liabilities of its staff employed in relation with the project and hereby indemnifies SDMC against any accident claims, damages, expenses or losses in this regard and that in no case shall for no purpose shall SDMC be treated as employer in this regard.

S. In the circumstances:-

- i. Late reporting of vehicle and Non functioning of vehicle due to want of gas or driver/labour. The SI in-charge shall maintain a log book/record of such 'down time' in one month. Maximum 'down time' allowed would be 10 hours for each vehicle point. In case downtime in a month exceeds 10 hour per vehicle, a penalty deduction (from the amount payable to the contractor) @ Rs. 500/- per hour or (part thereof) of downtime 9 in excess of 10 hours per month) would be made.
- ii. In the circumstances of Breakdown due to maintenance reasons (including puncture, etc) the contractor would be allowed an additional penalty-free down time of 10 hours per month beyond the said limit, the penal deduction provision as per clause S (i) above would apply.
- iii. If the vehicle is not available along with the labour on any particular day it will be termed as absent.
- iv. If a vehicle does not report continuously seven days then its services could terminated.

The department reserves the right to decide the number of Vehicles and the zones/area/ward where the vehicles are to be deployed on per day hiring basis by the contractor.

If department requires, GPS will be installed in all vehicles by the department or the contractor shall arrange/install GPS system as required in all vehicle(s) provided for the contract through a reputed agency and keep them all in working condition throughout the contract period. The contractor shall provide website, login id and password to the department so as to monitor the movement of the vehicles and also set up a control room at the premises of SDMC [with required manpower and all necessary equipment(s)/ computer(s)/ internet etc] for monitoring of all vehicles(s). The payment for installation of GPS and its maintenance will be borne/ adjusted by the department on the submission of the bill by the services provider company after verification. Nothing extra shall be payable to the contractor on this account. To keep the proper record of the GPS report in the desired format will be responsibility of the contractor and will be submitted as and when required by the Engineer in Charge.

Other Conditions will be supplied with the Tender Documents.

Details can be had from the web site <http://mcdetenders.com> or from the office of undersigned.

All testing charges will be borne by the constructor.
