

Project Name: "Collection and Transportation of Municipal Solid Waste, Street Sweeping Waste, Drain Silt, Green Waste and Construction and Demolition Waste in the South, Central, West and Najafgarh Zones" of SDMC

Subhead: - Further Clarifications on the Replies of Queries of Pre-Bid Meeting held on 11th July, 2014

Some Bidders have sought clarifications with respect to the replies of the Pre-Bid queries and after due deliberations it has been decided that the following further **CLARIFICATIONS/EXPLANATIONS** are also to be issued, for information of all the concerned:

Sr. No.	Clause No.	Clarifications/Explanations	Reference
1	2.2	It is further clarified with respect to amended clause 2.2 of PIM that Concessionaire is expected to also synchronize auto-tippers with the informal sector/NGO/Firms engaged or proposed to be engaged in the door to door collection of waste.	PIM
2	2.1	It is explained that collection of the waste from the road side litter bins (up to 240litre Capacity) placed at the commercial/market areas through the AT 1.75 shall also be considered as the street level collection.	PIM
3	2.10	It is further explained that Concessionaire is expected to modify at least of the 50% Dhalaos by the COD and remaining 50% within six months from the COD, the prioritization of which is to be done in consultation with SDMC.	PIM
4	2.8 (i)	FCTS with detachable/non-detachable of 10 cum capacity may be read as FCTS with detachable/non-detachable of 10 cu m capacity and above, compatible with site conditions.	PIM
5	2.6 (e)	"Dhalaos, open sites, bins and ground" meaning there by the "Dhalaos, open sites, bins and ground under the control of Concessionaire".	PIM
6	2.12 (g)	It is clarified that apart from the workshop site in each zone, SDMC shall also provide at-least 2-3 sites sufficient for parking in each zone. The tentative list of parking sites are follows:- A. Central Zone (Tajpur Pahari , abandoned mines, Okhla Industrial Area Phase-II, Land Between JE (Works Store &Karpuri Thakur camp in SrinivasPuri Near Railway Line, Land between Agra Canal &AbulFazal enclave main road near ShaheenBagh) B. West Zone (Bakkarwala) C. Najafgarh Zone (Ghummenhera) D. South Zone (Near Bhati Mines) However, the above list is tentative and can change depending on the situation.	PIM
7	Clause 2.1 (l)	It is additionally submitted that the MTS engaged in the street level collection can also be utilized for the collection of waste from bins deployed at Dhalaos in case of idling of MTS subjected to no additional financial implication.	PIM
8	Clause 2.6 Related to C&D Waste	In cases where 'C' & 'D' waste is found dumped at such location/sites, the same would be transported/carted to the nearest designated collection sites at his own cost. Further disposal of such waste from the designated site would be the responsibility of the Concessionaire on rates as applicable for disposal of 'C' & 'D' waste.	PIM
9	Clause 2.26 (Imposition of indirect taxes)	Indirect taxes on the services provided by the concessionaire shall be borne by the SDMC.	RFP/DCA

Further in view of the above clarifications, the last date of bid submission is extended upto 3:00 PM, on 29-08-2014 in the office SE(QC), 19 Floor, E-1 Block, Civic Centre, JLN Marg, New Delhi 110002.
