

CORREGENDUM NIT DT.12/02/16

Sr. No.	Suggestion	Answer
1.	Date of submission for tender should be extended at least for 7 to 10 days with lesser formalities/documents for short terms allotment.	The suggestion may be considered and the date of last submission of tender be extended up to 11.00AM on 22.02.2016 with the extension of sale of tender documents up to 5.00 PM on 19.02.2016
2.	Submission of security and advance MLF should be reduced to only three months for allotment of three months.	As per tender documents.
3.	Exemption should be given in installation of CCTV camera's in all the tendered site at least for short term tender, ESI & PF would not be compulsory in this short term allotment.	<p>The tender is only for 3 months, hence, the plea of the contractor may be considered and exemption for installation of CCTV camera may be granted. Accordingly, the following from clause no. 18 of Annexure '5' stands deleted: "The installation of CCTV camera with proper backup etc. as explained below is mandatory in case of parking sites where the Monthly License fee is more than Rs. 5 lakhs.</p> <p>The contractor shall obtain electricity connection from the respective Discoms for operation of CCTV and charging points of Hand Held Device in his own name or install solar energy system, for which SDMC shall provide him necessary 'No Objection Certificate' on his specific request. However, no remission shall be extended for usage of solar renewable energy. In this regard all charges/dues shall be payable by the contractor directly to the concerned electricity company. However, CCTV should be backed up with power and same should have backup memory of 30days. Non-maintenance of CCTV installations and HHD may result into termination of the contract and taking over possession of the parking sites by the department. Non-working of CCTV or hand held device shall be treated as major violation and shall attract relevant penalties, as envisaged in the NIT/Tender conditions/Parking Contract."</p>
